

## **Beckingham Parish Council**

### **Email Meeting of the Parish Council**

Courtesy of that Wuhan resident who fancied roast bat for his/her dinner we will have to do things a little differently for the next few meetings – possibly 3 if you are convinced by the latest Government edicts.

But when (and if??) the world returns to normal we will have to prove that in the meantime we have shown due diligence to the principles of parish governance, most important that all Councillors have had the opportunity to decide on matters for resolution.

Therefore, could you by email indicate your decision on item 5/1 by 28<sup>th</sup> March latest– no return will be taken as assent. If 5/1 is agreed, then I will inform CB to get cutting.

Also, could I encourage you to reply on all points such as 4. I will put together minutes which will act as an important aide-memoire for when we get back to normal – when!!
