New Parish Clerk

Terry Brown is our new Parish Clerk. He says "even though now I am Grantham based, for most of my adult life I have been part of some village and I know what villagers can do if they all pull together. For example stopping Leics CC turning our local disused quarry into a County wide open refuse tip – in the same way that you stopped the wind turbines. So I am here to help, would welcome email contacts and as a Parish Clerk look forward to seeing a fifth Councillor"

June 2015

I've had one report of a garden waste bin going missing just after the new year's payment sticker was put on it. I suggest you identify your bin in other ways to make sure yours does not disappear in future.

Broadband options?

It seems that every person who rings up BT to ask when faster broadband will be enabled in the village gets a different answer. It may be this year and it may not. In the meantime some villagers are making use of over the air wi-fi which is proving popular in other villages in the area. It is a local company www.jhcs.com/wireless and could be worth a look at. If you are interested in finding out more please contact Diana Johnson from the playpark group on 07740 047671 as she uses this herself. They only need 5 more interested households to get cheaper installation costs and the monthly fees are likely to be less than BT infinity.

Summer Craft, Food and Produce Fair June 27 - 10am to 4pm

There will be stalls in the village hall and church, craft demonstrations and workshops. There will be the ever popular classic car exhibition.

On the food and drink front teas, coffees and cakes will be served at The Leemings (School Lane), hot and cold lunches available at Beckingham Village Pub, and there will be Ice cream and hot dog and burger stalls.

There will be tours of the church tower and the graveyard survey data will be on show.

There will also be activities for the children - a fun day out for all!
