

From Lincs Alert:

PARENT INFO ALERT – INTERNET SAFETY AND OTHER STUFF!!

As children and teenagers arrive back at school, relationships develop, and social media gets another boost as they start new conversations and access various platforms to uphold their social status!

As a parent this can be quite daunting to keep up with the ever changing world of social media, whether that be by mobile phone or computer based activity. Here is a brilliant website that you can access and gain up to date information. You can also learn about the current teen speak your teenagers may be using (MOOS, P999, and WYRN):

parentinfo.org

Worth a browse as very informative, with additional sign posting to other websites that may also be of use for further information.

The next Police Community Panel meeting will be on Tuesday 6 October at 7pm. The venue, for anyone interested in attending, will be Aubourn Heritage Room Clock Tower, Bassingham Road, Aubourn.

The police have also shared information on keeping dogs safe and what you should do if your car breaks down on the highway. If anyone is interested and hasn't seen these I can send the links or you could sign up to Lincs Alert.

Beckingham Bugle

October 2015

I don't know about you but it seems to me that this year has just flown by. October already and just one more Bugle after this before the end of the year (likely to be early December to fit in with village activities). As an experiment there is a page of free advertising this issue. Generally speaking if someone from the village wants an advert on an occasional basis I do not charge. Future policy may depend on demand!
