16/93 District and County Councillor Time

SH reported:

"Three candidates are contesting the Navenby bi-election taking place on 13.10.16 brought about by the resignation of Mrs Laura Conway - Conservatives/Lib Dem/Lincolnshire Independents.

118 nominations have been received for the annual Community Champions' Awards event. Finalists, nominees and guests can attend the event at The Venue, Navenby on 20.10.16. with contenders for consideration from within the Basingham & Brant Broughton Ward. The District has recently been awarded a grant of £200,000 to unlock funding and complete the Int. Bomber Command memorial taking shape at the top of Canwick Hill. The grant will enable completion of the Chadwick Exhibition and Visitor Centre to honour the memory of Bomber Command and keep its legacy alive. The Centre will also boost visitor appeal to Lincoln and its districts whilst creating a lasting archive and ensuring that the service of the RAF is remembered for generations to come.

A Public Space Protection Order has been approved to prevent cars gathering on Metheringham Airfield and causing a nuisance, enabling the public to use the open space enjoyably and safely without fear of injury.

Mrs Smith's Cottage in Navenby village is to be restored, having secured money from the Heritage Lottery Fund. It will bring the tourist attraction, closed since 2013, back into use in 2019.

An approved Planning Application in Skellingthorpe will bring more than £1m in investment into the area, with approved plans for 280 homes, improvements to the A46, off-site recreational space, additional secondary school places, community projects and affordable housing of 12 homes.

The annual Spires & Steeples challenge takes place on 16.10.16 and also marks 40 years of the Viking Way.

4,432 completed surveys were received during the consultation period for Devolution for Greater Lincolnshire. 56% of respondents disagreed with the idea of an elected Mayor and were less positive about the possibility of combining the Police and Crime Commissioner role with that of elected Mayor. Respondents were clear Councils should work together to pursue for extra powers and funding from Central Government that the devolution deal makes available, finding efficiencies in delivering services and infrastructure for the people."
