/2 to consider the purchase of a new outdoor seat (Cllr Smith)

21/086 Date of next meeting: Wednesday 17th November 2021

Cllr Russell Eckert reported:

Firstly, I would like to provide you with Council Update with regards to the political balance on the Council. NK Admin Group - 26 / NK Independent Group - 13 / Unaligned Councillors -3 / Vacancy 1 with Nick Byatt Councillor for Metheringham Ward recently announcing of his resignation and a By-election will be held and date TBA.

As our Council focus is to ensure its Climate Action Plan is as robust as possible, therefore if any supporting information of relevance can be made available through The Democratic Services Team towards the end of this week

Any Residents who have question with regards to the Purple Bin or general bin usage a useful guide has been provided online available from the NKDC website.

As much as possible the Council would like to try and avoid sending canvassers to carry out with The Annual Household Canvass. If any forms are received by post they only need to be completed if there are no changes to report and please note It is a legal requirement to respond.

Covid Update News - the take up rates for the vaccine remain amongst the very highest in England. However the fall off for second doses in younger age groups continues not just unique to NKDC but is a National Issue also.

Second Dose take up in NKDC is - 50-54's at 91% - 25-29's at 71% this take up is the highest of any English Council for this age group for both doses.

COVID Cases up to end of last week in North Kesteven have remained flat around 400per100,000. A reminder of the essential maintenance works linking Lincoln to M1 via A46 which started on July 12th. The next phase of works is planned to [start on Friday October 15th](#) and should be completed by [Thursday 18th November](#). Carriage sections will be closed between Winthrop interchange and Hykeham roundabout. Diversions will be made available and details accessed from EMADcomms@Kier.co.uk.

Note - The District Council itself is still due to open up [on Monday 4th October](#) at this there are no plans to change however COVID infections rates my contribute to a possible change of date. Staff are continuing to split working from home and office.

Cllr Mary Green reported:

- *Canvass - If a household has received a form recently, they are asked to please respond promptly. It is a legal requirement for households/individuals to respond. It can help improve credit ratings by being on the Electoral Register. It remains a choice whether a registered elector wishes to vote but they must be registered.*
- *Right Thing Right Bin - The first collections of purple lidded bins (cardboard & paper) commence 27th September 2021. If you have had an advisory green tag on your bin, don't worry - it's there to help you put the 'Right Thing' in the 'Right Bin'. We won't be able to collect bins that contain wrong items. It might take a bit of getting used to the changes, but we know you can help us improve the quality of recycling and enable us to help the environment. Long term this is of benefit to both residents and the planet. The leaflet which each household should have received, gives a really good heads up about what goes in which bin. If you have mislaid the leaflet, it can be downloaded from the NKDC website as a useful aide memoire.*

- *Greater Lincolnshire Online Jobs & Careers Fair - The next in the series of virtual jobs fairs will be live on 29th September 2021 from 10.00am until 1.00pm. The event is free for both visitors and exhibitors and can be accessed via the Greater Lincolnshire LEP's custom built website.*

2021/Page 019

- *Natasha's Law - This will come into effect from October 2021. The new law requires food businesses to provide full ingredient lists and allergen labelling on pre-packaged foods for direct sale. For example the Name of the Food, a full list of ingredients with allergenic ingredients emphasised in bold, italics or a different colour print.*
- *Lincolnshire councils are working collectively and closely with the Home Office to support Afghans who left their country over recent weeks to arrive in the UK. Anyone wanting to help can find out more by visiting www.gov.uk/help-refugees.*
- *COVID-19 - The fall off for second doses in the younger age groups continues to stand out - this is a national issue , not just in our District - with a 20-point difference in 2nd dose take up between the 50-54s at 91.2% (16th highest in England) and 25-29s at 71.2% and bearing in mind our 25-29 take up is the highest of any council in England (for both 1st & 2nd dose).*
