

DEVOLUTION FOR GREATER LINCOLNSHIRE — HAVE YOUR SAY

Ten local authorities, from the Humber to the Wash, have joined together to gain more power, responsibility and funding from Government. This devolution deal is worth £450m over 30 years and would result in improved transport, infrastructure, skills and training in Greater Lincolnshire.

A new body would be created to manage the powers devolved from Government and would include councillors from each partner council, chaired by a mayor directly elected by residents.

We want YOUR views on this proposed Mayoral Combined Authority.

Visit www.lincolnshire.gov.uk/greaterlincs

or pick up a consultation form at your local library or Council Access Point to have your say. Please take time to read the supporting information.
