

HYKEHAM RURAL Neighbourhood Policing Team

What is a Neighbourhood Panel?

Your Neighbourhood Panel consists of local people, and representatives of the community, who live or work in the area. The panel's purpose is to identify issues that are affecting the community taking into account the views of the community.

What does the panel do?

They meet quarterly and assess all the information collected at the meeting, and consider all the issues raised. The panel then agree on neighbourhood policing priorities to be focused on during the next three month period.

The Neighbourhood Policing Team then adopt a problem solving approach and are encouraged and empowered to work locally with NKDC and government agencies to address the priorities set.

Your current priorities set by the Panel for this area are:

1. Seasonal crime prevention activity to reduce dwelling burglaries linked to the end of British Summertime.
2. Seasonal activity to encouraging children to be safe and seen walking or cycling.
