Big Lottery Funding obtained to improved drainage of Beckingham Playing Field

- Beckingham Play Park Project and the Beckingham Parish Council are pleased to announce the award of £8800 from the Big Lottery Fund to improve the drainage of the playing field.
- The drainage work will commence in 2015 and BPPP will continue to raise funds through grants and community events to purchase the new equipment.
- We would like to thank the Big Lottery Fund and all members of the community for their continued support and fund raising activities.

The Big Lottery Fund supports the aspirations of people who want to make life better for their communities across the UK. We are responsible for giving out 40% of the money raised by the National Lottery for good causes and invest over £650 million a year in projects big and small in health, education, environment and charitable purposes.

Since June 2004 we have awarded over £8 billion to projects that make a difference to people and communities in need, from early years intervention to commemorative travel funding for World War Two veterans.

Since the National Lottery began in 1994, £33 billion has been raised and more than 450,000 grants awarded.
